At **A Mind of Their Own**, topics such as listening and empathising, managing stress together, and looking for life's little wins, will be explored in more detail, highlighting powerful opportunities to build emotional resilience, right in the midst of family life. **For more information and to book, use this link.**

Write to your MP about:

- **The Aid Budget Cuts:** An appeal from Tearfund to ask your MP to take a stand against the cuts. The UK Government's decision to cut aid spending down to 0.3% of Gross National Income (GNI) - a cut of around £5.5 billion - is a devastating blow to the communities Tearfund serves. This will directly affect people living in poverty around the world. Families will go hungry. Children won't be able to go to school. Conflict will continue to ruin lives. You can find more information at [Stand](#)

[against UK aid cuts - Tearfund](#) and a sample email here: [Email your MP - Tearfund](#)

- **The Assisted Dying Bill:** An appeal from the Evangelical Alliance to express your concerns to your MP. They say "Committee hearings in both parliaments have heard evidence from clinicians, lawyers and academics. Many have outlined the harms each bill would have on the elderly, people living with a disability, women and minority ethnic communities. There are no safeguards to protect patients from a miscarriage of care and both bills must be rejected!" Use this link to [Email your MP](#) stating your opposition to Kim Leadbeater's bill which is due for vote on 16 May. We are aiming for all 330 MPs that voted in favour of the bill at second reading to receive an email of opposition from one of our members ahead of report stage on 25 April.
