Couple Goals Podcast: launched by charity [Care For The Family](#), is available on YouTube: [Couple Goals](#), with audio versions on Spotify and Apple. With new episodes every Tuesday, each week different couples and experts will join hosts Luke and LJ to unpack relationship highs and lows.

Season 2 of Couple Goals coming in 2026!

What does hosting a relationships podcast do to your marriage? Would it become couples therapy, showing you all the issues you hadn't dealt with? Or does it bring you closer together as you talk with inspiring couples who share their stories of overcoming struggles and building strong relationships. In a special bonus episode to celebrate the conclusion of the first ever season of Couple Goals, we turned the tables on our hosts, Luke and LJ Meates. Now they're the ones in the hot seat! We reached out to all the guests who have been on the show this year and they've sent in their questions for the Meates' to answer. Luke and LJ have also gathered their TOP RELATIONSHIP TIPS from every conversation this season. These are the things that hit them hardest, caused them to re-examine their relationship and gave them practical things to try.
