Highlight of church life

Brick Church

QE Park Baptists have been running Brick Church for two years now. It was called “Lego Church”, but we changed the name after other churches have had issues with the Danish block maker.

We usually meet on the last Saturday of the month from 3pm to 4:15pm. We have a bible story each time and lots of time to create with “trad” Lego, Duplo and large Megablocks. We also have colouring and puzzles. The group are mostly quite young, and many used to be apart of our baby and toddler group.

Last week we looked at the story of Creation. We watched a video and looked at photos of the large and small things that God has made, from the whole earth down to the scales on a butterfly’s wings. The photo shows some of the creations made by the children and the adults. We also sang “I can wiggle like a worm!”

We have a good team of faithful helpers, but new team members are welcome. If you know any young families who might enjoy Brick Church, please encourage them to come along.

Life Issues

Our occasional series of Life Issues lectures and interactive discussions deals with every day matters that we all encounter at some points during our lifetimes. Expert speakers are invited to share their knowledge and experience so that we all might be better enabled to deal with life's 'little' difficulties.

Our aim is to bring in as many people as possible at affordable prices.

Most Sessions are held in our large meeting room, and all are welcome - but make sure you book your place as these sessions are very popular.

Programme of Life Issues Sessions 2026 at Godalming Baptist Church, Queen Street, Godalming, Surrey, GU7 1BA apart from the Women's Away Day. For more details on courses, see https://www.godalmingbaptistchurch.org.uk/life-issues

SLEEP – HOW CAN WE FIND IT SO HARD WHEN WE SPEND A THIRD OF OUR LIVES DOING IT?

The session will help us to understand more about the mystery of how and why we sleep, including why so many of us have trouble sleeping! Discover ways of helping improve your sleep, and considering whether medications or devices use to monitor our sleep are helpful or not.
